Design and Fabrication • Heavy Steel
Formwork • Falsework • Shoring

Belkblast
31-39 Bundy Drive,
Melton South Vic 3338

16th December 2013

Attention: Mr. Wayne Belk

Dear Sir,

RE: Testimonial

To whom it may concern.

Belkblast have provided their services of Blasting and painting of Structural Steelwork to GFC Industries projects for the past 23 Years and range from Bridge girders, shopping Centres, Multi storey buildings, Ship Loaders etc.

Quality and delivery to program has been outstanding over the years and we look forward to the continued working relationship in the years ahead.

Yours faithfully,

Ron Kandell
Director
