

17<sup>th</sup> December 2013

To whom it may concern.

Subject: Belkblast Pty Ltd reference

Over the past 14 years Belkblast has provided surface treatment to both RMB Metalwork P/L and now Danian Steel P/L. During this period Belkblast have provided excellent and competitively priced service, ranging from basic whip blast and prime to Architectural three coat systems for steelwork on iconic projects such as Federation Square, Sydney Myer Music Bowl, Kangan Batman TAFE Docklands and Bendigo Police station. Their affiliations and accreditations with Dulux and International Paints allows Belkblast to provide a high level of quality substantiated by the technical back up of these paint suppliers. We have no hesitation in recommending Belkblast for any painting process you may require.

Yours faithfully
